

Dukie was such a special person in our lives. He was a person, a friend a brother + much more. He meant a lot to me, I've seen him since he was a little boy, grow into a terrific young man. Dukie had a the greatest respect for everyone. He will be deeply missed, I'll always remember him coming in every morning + every lunch hour he would come eat lunch + always say See you later Auntie, and have a good day. I will always remember him and all the memories I will keep close to my heart always. God Bless + my prayers are with you at this
